

## Geoffrey B. Ford

April 3, 1983 - January 20, 2016

FORD - Geoffrey Brian Ford, 32, was born on April 3, 1983 in Winter Park, FL. He went home to be with the Lord on January 20, 2016 in Middleburg, FL. Interested in cars from a young age, Geoff made his career for the past 14 years as an ASE Certified Mechanic, a Toyota Master Mechanic, and in March he would have been a Lexus Master Mechanic. Geoff is the beloved son of George and Beverly Ford; a loving brother to Diana (Daniel) Speelman, Nick Ford, and Gregory Ford; devoted and loving fiancé to Amber Craig; loving stepfather to Kiley and Aubree Craig; caring uncle to Alyssa and Luke Speelman; cherished grandson of Janice and the late Dwight Sheesley and George and Ruth Ford; nephew, and cousin; and a great friend to many. He is remembered for his mechanical talent and expertise, love of adventure, lighthearted sense of humor, caring nature, and generosity to give freely of his time or lend a helping hand. Geoff touched the lives of many and will be greatly missed by all who knew and loved him.

In lieu of flowers a donation page has been set up for those looking to support the family in this tragic time. Donations will be used to help cover funeral costs and other unexpected bills left behind. If we raise more than we need, any extra donations will later be put towards a charity close to his interests in his honor. “ Geoff, I can still remember looking into those sweet baby blue eyes the day you were born! Oh, the love and joy you brought into our lives! You always lived life to the fullest, one adventure after the next! You were kind and loving and always there for your family in good times and sad times. I always loved your surprise visits and visiting you in FL...my home away from home. I'll never forget the time you let me ride your dirt bike , too! I will treasure your smile and laughter forever in my heart. I love you, son! You will be deeply missed! Still wish you were here! XOXOXO

“ To know Geoff was to love him. He was a wonderful nephew filled with kindness and compassion for others. He gave of his time freely to help his elders and talked to the younger members of his family to provide advice and encouragement in their endeavors.

We love you Geoff and will miss you dearly, however, we take comfort knowing we will see you again in paradise someday.

“ I thought I posted a memory but can't find it! So here it goes again...

In loving memory of my first nephew. He will forever be in my heart and I'll miss that cute little smile he has as a toddler. And he grew into that grin as a fine, young man!

To Bev, George, Diana, Nick, and Greg - my most heartfelt sympathies. You know I love you all and I am here for you always! Never forget that! xoxoxoxo

“ In loving memory of a great brother, loving uncle, and all-around wonderful person. Geoff always had something to share to make us smile and laugh, freely gave of his time and help, and was a joy to spend time with and talk to. I have only fond memories of growing up together, laughing, playing, and spending time with each other. He was a loving, caring person with a great sense of humor; he will be missed more than words can express. I love you, baby brother; prayers that you are safe and know just how much you are loved and missed. xoxoxox
